المقدمة

تَعْلُمُ اللغات يفتح مجالا واسعا للتعرف على ثقافات الشعوب واكتساب المعرفة في شتمجالات الحياة. اللغة في حد ذاتها مهما كان شأنها في عيون الناس، مصدر وافر لاستنباط حقائق تاريخية واجتماعية من خلال دراسة المفردات والتراكيب وكذا مختلف المجالات الأدبية.

لمن أراد معرفة اللغة والثقافة الأمازيغية لمنطقة مزاب، إليكم هذا الكتاب يضم نصوص وحكما لتعلم قواعد الكتابة والنحو الأمازيغي بالحرف اللاتيني، ويحتوي كذلك على شعروقصص محلية عريقة؛ للاستفادة أكثر، يستحسن متابعة الدروس رفقة مُطَّلِعٍ متمكن في اللغة الأمازيغية وثقافة المنطقة. لنولي الأهمية لأداب وثقافات وهوية كل شعب لنتعارف ونتعاون، اليد في اليد جميعا وبنية خالصة وبالتواصل نسعى لرقى الحضارة.

❖ المزابية فيواد مزاب هي من بين التنوعات اللغوية الأمازيغية. كل التنوعات الأمازيغية من سيوا إلى غوانش (جزر الكناري) مع أراضي شمال صحراء إفريقيا ما تزال إلى حد الآن لها تركيبة لغوية وقواعد نحوية موحدة إلى حد كبير. قد نجد أحيانا بعض الاستثناءات من منطقة إلى أخرى غير أن أغليبيتها تعتبر عدم الاستعمال الصحيح للقاعدة. مثل هذه الاستثناءات لا يتم تعديلها إلا بالبحث والإنتاج الكتابي.

❖ لذا فإنه بمعرفة وتطبيق قواعد النحو والتراكيب وبمعرفة خصائص اللغة، يصبح المرء يوظف اللغة الأمازيغية بتنوعها وبصفة مدروسة ولا يقتصر على معرفته البسيطة لهجة فريدة.

❖ في زماننا هذا، الإستمرار على الاكتفاء بتوظيف اللغة شفويا فقط وإهمالها كتابيا فإن مآلها الزوال والاندثار شاءت أم أبت. كلنا يعلم أن الكلام يذهب أدراج الرياح والتدوين يبقى محفوظا. بالكتابة تنمو وتردهر اللغة، بها يرقى أهلها ويبلغون المعالي ويصبحون منارة تشع على البشرية.

❖ كُتبت الأمازيغية عبر العصور بالأبجديات التالية: التيفيناغ الإغريقية اللاتينية والعربية. الكتابة بالتيفيناغ في صورتها القديمة أداة ذات قيمة تاريخية عظيمة غير أن أهلها لم يتمكنوا من تطويرها نتيجة لسطو المحتلين على أوطانهم وزرعهم للفتنة بينهم ومحاولتهم لطمس هويتهم.

❖ حتى نسلح الطريق الصحيح لتدوين وترقية ثقافتنا وأدبنا وموروثنا الحضاري، علينا بكتابة الأمازيغية بالوسيلة الأنجع تقنيا وتجنب اللجوء إلى العاطفة والصد عن المنطق، إذ لا يمكن أن نفضل أبجدية على أخرى إلا لإتقاننا إحداها أحسن من غيرها أو خوفا منا ضياع مصلحة ما أو...

❖ حول الأبجديات :

➤ إن التيفيناغ أبجدية أمازيغية عريقة علينا إتقانها والحفاظ عليها غير أنه يتطلب الباحثين والمختصين تطويرها، فبشكلها الحالي لا يمكن أن نعتمد عليها في التدوين والإصدارات.

➤ إن الأبجدية العربية لا تعتمد على الصائتات (الحركات) فهي مناسبة لكتابة العربية، أما الأمازيغية فلا يمكن الإستغناء عن الصائتات بل تعتمد عليها كلية. لكل لغة قواعد مناسبة لرسم كتابتها، إلا أنه لا توجد إلى حد الآن قواعد ملائمة متفق عليها لكتابة الأمازيغية بالحرف العربي.

➤ فهذا الكتاب لتعلم الكتابة بالحرف اللاتيني. بخطى ثابتة، وبالتدريج يكتسب المتعلم قدرات في كتابة وقراءة اللغة الأمازيغية.

حاليا الكتابة باللاتينية أداة ملائمة تقنيا ونظرا لتاريخ نشأة الكتابة فهي منبثقة من الفينيقيّة والأخيرة مقتبسة من التيفيناغ.

من كان يود رقي لغة فليُجد كتابتها، وليلقنها للناشئة ولكل من أراد تعلمها، فيسعى إلى التدوين ورفع مستواها الأدبي ويكتب

تاريخه بنفسه بتمعن ودراية متجنباً النقل والتقليد الأعمى حتى لا يقع بالأجيال في شباك الجهل فيصبحوا معاول هدم لهويتهم ولكيانهم فيضلوا ويُضلوا ظنا منهم أنهم يحسنون صنعا.

الحفاظ والمعرفة الجيدة للسان الأم وحب الإطلاع وتعلم لغات العالم بغض النظر إلى طبيعتها، مكسب لا يقدر بثمن.

لا أقول كما هو متداول، " من تعلم لغة قوم أمن شرهم " بل أقول: " من أتقن لغة قوم تعرف عليهم وتوفي في معاملتهم فأفاد واستفاد".
