On y lit clairement la, satisfaction de Boussouf du taravail fourni par les services de Si Mansour

 Ordre de Mission

Le frère Mansour, responsable des
 au service est prié d'accompagner le
 directeur de Cabinet à la discussion
 projetée avec les fournisseurs, se confor-
 mement aux instructions ministérielles.

L'objection présentée, survenant
 s'inscrivant sur le danger de se faire
 connaître de personnages hostiles ne
 paraît être retenue.

Une autre, c'est en raison
 du caractère délicat de cette affaire
 que la participation du frère Mansour
 est formellement requise.

 Le Chef de Cabinet

d'instance

Ordre mission griffonné par Me Mabrouk Belhocine, collaborateur
 du Colonel Mahmoud Chérif, au département Armement et Logistique,
 sur un papier portant l'entête du GPRA, ordonnant à Si Mansour de l'accompagner
 pour rencontrer des trafiquants d'armes en Allemagne. Une mission
 que Si Mansour avait refusé d'effectuer

RAPPORT SUR MISSION DU 27 AU 31 JUILLET 1959.-

J'ai reçu du frère Belhocine, Directeur de Cabinet, l'ordre de l'assister dans une certaine mission. Il s'agissait de contacter des gens pour une affaire d'armes.

J'ai attiré l'attention du frère Belhocine sur le fait que ces gens sont des trafiquants dangereux, suspects de travailler en collaboration avec l'ennemi.

En effet :

- 1°) - Ils ont vendu des armes à BOMAGRI. J'ai réceptionné moi-même la livraison au Maroc et j'ai trouvé dans les caisses des vieux moteurs.
- 2°) - Springer de l'affaire "LATAQUIE" est venu comme vous le savez voir Maître Chérif à Tanger pour lui demander d'intervenir auprès de vous afin d'obtenir la somme de 1.500.000 francs suisses, représentant d'après lui la cargaison qui se trouve en Syrie. Nous lui avons fait savoir que nous actions pas au courant de cette affaire. Il aurait dit à Maître Chérif : " Tant qu'ils ne m'auront pas remboursé ils ne trouveront jamais sur leur chemin". Je considère cela comme une menace qu'il ne faut pas négliger.

J'ai expliqué tout cela au frère Belhocine. Il m'a répondu , "Cela ne fait rien tu dois assister, tu as peur pour ta personne, c'est tout".

Je suis prêt à donner verbalement toutes les explications complémentaires.

D'autre part, le frère Belhocine m'a demandé de rejoindre immédiatement Tunis . Mais comme j'ai beaucoup d'affaires à régler, et pour lesquelles je suis venu en Allemagne (comme l'affaire de l'usine par exemple) j'ai pensé plus utile de tout régler ici avant de rejoindre Tunis.-

Le 31 Juillet 1959.-

Un rapport de Si Mansour dans lequel il explique les motivations l'ayant dissuadé d'accompagner Me Belhocine à la rencontre de trafiquants d'armes à Hambourg

Bien cher frère, }

Je vous écris ces lignes par vous donner quelques nouvelles au sujet d'une occasion de message qui vous a été envoyé en temps opportun, concernant "l'agent habituel".

Les frères de l'intérieur nous ont bien écrits récemment du côté de et du courrier. Cependant, nous n'avons à ce jour, reçu aucun signe de la double tranche de 5 millions dont vous m'avez parlé lors de nos échanges à Orabat. Je ne sais si depuis, vous avez pu recueillir quelques renseignements sur cette affaire. Toujours est-il, que nous à nouveau ordre, la mesure de précaution la plus élémentaire à prendre, s'est d'arrêter tout envoi.

Nous comptons donc sur vous pour nous tenir au courant de tout ce qui se passe et nous tenir au courant de tout.

Par ailleurs, je tiens encore une fois à vous féliciter personnellement pour vos envois. Bravo frère, et encore bravo! Le Bourgeois n'a éprouvé la nouvelle avec une joie immense... Nous en sommes et rattrapons rapidement nos d'autres sources éclaireront nos visions avant la grande course du printemps.

En outre, nous attendons toujours, les 10/11. Nous ne sommes ni vous avec la ramasse quelques unités, cependant s'en sont les adhésives, té cher, s'il vous plaît, de nous envoyer les fusils et les cartouches de 7,62 mm dont vous disposez. Vous en profiterez pour nous envoyer également les caisses d'emballage, s'il y a lieu, car nous en avons besoin, et les plus petits et les quelques petites pièces qui ont pu être récupérées auprès de l'Armée de l'Organisation politique. Nous avons grandement besoin des fusils et des cartouches. Pour ce qui est des caisses, nous vous serons bien obligés de nous dire si elles peuvent être récupérées ou si elles ont été perdues à la suite de l'incident de Tanguer. Vous nous aviserez par message, dites simplement: "affaire réglée ou non réglée".

Encore moi frère, si je ne suis pas très loquace aujourd'hui. Pour avoir à vous annoncer une nouvelle décevante, j'ai dû me résoudre à écrire tout à fait personnel.

C'est avec une grande douleur et combien grande que je le me va parlerai ici de la fin tragique du regretté frère HAMOU. Les choses du 27 courent, pour n'avoir donné que des résultats partiels, nous auront été très cher. Le frère HAMOU est mort à la suite d'un accident. Je ne vous en ai pas dit davantage. Les derniers messages lui ont été envoyés à Orabat, vendredi 25 Février. Toutes les mesures en vue de récupérer le corps ont été prises et à l'identité de la victime ont été prises. Nous comptons sur vous pour faire entendre. Enfin, je me permets d'ajouter à une liste déjà très longue... Sachez bien que l'escorte du lieutenant HAMOU et de tous les autres frères qui ont été pris par les ennemis de nous éviter tout souci sans le dire car nous avons tous besoin de vous pour nos vies à l'AMN.

Je compte sur vous pour me rassurer au bon moment de tous les frères. Bon courage et, avec l'excuse de vous lire bientôt, bien cordialement à tous.
